PACIFIC SPRING BAND TOUR SCHEDULED FOR APRIL 11 - 13

College of the Pacific band will leave on the annual spring tour on April 11, and return April 13. The eighty band members participating will travel to Reno, Nevada, and the California towns of Wheatland, Gridley, Oroville, Redding, Sutter, Williams, and Travis Air Force Base.

Some of the selections included in the program are: Roman Carnival Overture, Pictures at an Exhibition, Capriccio Espagnol, and Tchaikovsky's Fifth Symphony.

There will also be three specialty numbers: the first, Mozart's Clarinet Concerto, will feature Eva Lu Tarr, a Pacific senior who was listed in the college "Who's Who." Eva Lu is from Sacramento and plays in the Philharmonic Orchestra of that city.

The second specialty number will be the Clarinet Concerto by Weber, played by Ray Lippert. Ray is a Pacific senior from Lodi. He is a member of the Stockton Symphony Orchestra.

Finally, a clarinet sextet is featured. Don Olson, Ray Lippert, Eva Lu Tarr, John TeSelle,

Bill Saunders, and John Sylvester compose the sextet. This is the only group of its kind in the United States. It is patterned after a group in Paris, France.

The purpose of the band tour is three-fold. It promotes one of the campus activities, provides musical entertainment where there would otherwise be none, and attracts future Pacific students.

CONVOCATION FEATURES SC PRESIDENT

The president's convocation on Thursday, April 12, will feature as speaker Dr. Julio Bortolazzo, president of Stockton College, who has recently returned from Italy.

Speaking on the conditions in Italy today and her efforts to maintain her liberties, President Bortolazzo will base his talk on the information he gathered and the observations he made while he was in Italy making a survey of the schools for the Italian and United States governments. During this time, he had an opportunity to talk with ministers of the Italian cabinet, Claire Booth Luce, and other government officials.

Chancellor Knoles recently described Dr. Bortolazzo's speaking style as "dynamic and effective."

Dr. Bortolazzo, a native of Santa Barbara, became president of Stockton College in 1952. He is a member of Kappa Delta Pi, Phi Delta Kappa, and Phi Kappa Phi. He is serving as president of the Stockton chapter of the United Crusade for the second consecutive year and is the assistant superintendent of schools in the Stockton unified school district.

Micky Babb AKPhi Belle

Alpha Theta Tau pledge Mary Beth "Micky" Babb became Belle of Archania No. 25 here in traditional style to cap Preference Day in which 59 coeds were received as pledges into Pacific's three Pan-Hellenic sororities Thursday, March 22.

An estimated 180 sorority members and pledges attending the semi-annual ceremony found space at a general premium. "We'll have to bust out a wall next year," predicted president Lloyd Thorsen.

Thorsen presented Miss Babb a silver bell-shaped medallion inscribed "Belle of Archania, Spring 1956," a crown of white carnations, and one dozen American Beauty roses while members serenaded the new Belle with the "Sweetheart" song. "I've never been so happy in my life!" exclaimed the 18-year old freshman, general education major from Corning, Calif. "It's all so wonderful!"

Entertainment preceding the announcement included a song and dance number by Alpha Theta Tau, a brief melodrama entitled "She Wouldn't Say Yes" by Epsilon Lambda Sigma, and a pantomime sketch by Tau Kappa Kappa.

Special guests received by Archania housemother Mrs. Ora Dubois were Dean of Women Katherine P. Davis, Registrar Ellen L. Deering, North Hall head residents Rev. and Mrs. Troutner and their daughter-in-law, Mrs. Doris J. Troutner, Alpha Theta Tau housemother Mrs. Eva Koerber, Epsilon Lambda Sigma housemother Mrs. Lillian Conner, and Tau Kappa Kappa housemother Mrs. Mary Shaw Costello.

House historian Cliff Wheldon reviewed for guests the history of the Belle ceremony, reportedly perpetuated by the kidnapping of

PI KAPPA DELTA PROVINCIAL SPEECH TOURNAMENT IS HELD ON COLLEGE PACIFIC CAMPUS

Over 125 speech students from throughout California and Arizona are at present participating in the annual Pi Kappa Delta Provincial Tournament on the College of the Pacific's campus. The meet, which commenced Thursday and will run through Saturday, is held every other year and

will include events in debate, extemporaneous speaking, oratory and discussion.

This is the second consecutive time that our college has been selected as the site for the tourney. It is open this year only to schools which are official members of the national honorary speech fraternity, Pi Kappa Delta, it was stated by Edward Betz, tournament director.

The members of Pacific's debate squad who are participating are: David King and John Varner, both of whom are seniors and residents of Stockton; Jane Curry and Susan Vanderlaan, juniors and of Stockton and Ripon respectively.

Both teams received top honors at the Pepperdine tournament last month. In addition, Mel Nickerson and Gale Jordan will round out our school's representation of six participations. Last year Mr. Nickerson received top honors in oratory, and Miss Vanderlaan, in extempore speaking, at the National Pi Kappa Delta Convention held in Redlands.

In 1954, when Pacific again played host to the present tournament, the College of Pacific team of Bud Sullivan and Sheldon Nicolaysen obtained a superior rank in debate, as also did Miss Vanderlaan in extempore speaking.

Among the schools entered are: Arizona State College, University of Redlands, California Institute of Technology, College of the Pacific, University of California, George Pepperdine College, San Diego College, Pasadena College, Chico State College, Upland College and Los Angeles State College.

RUGGERS PLAY CAL ON BERKELEY FIELD

Tomorrow the College of the Pacific rugby team will invade the lair of the Gold Cup Champion California Bears for the Tigers final game. Starting time is 3:30 P.M. at California's Memorial Stadium.

Coach John Rohde is hoping for a dry field to give his fast backs a chance to show their speed and elusiveness. In the last three meetings of the two clubs they have yet to play on a dry field. Pacific was defeated by the Bears earlier in the season on a very wet Saturday afternoon.

Since the last edition of the Weekly, the Tigers have played two rugby games away. On the 17th of March the Tigers traveled to Palo Alto for a return contest with the Palo Alto Ramblers. The Tigers evened the score against the Ramblers by defeating them 11 to 6 on a windswept field. The Tigers scored all their points in the first half with the educated toe of Ken Swearingen being the deciding factor in the win.

The 24th of March the Tigers met the San Francisco Olympic Club at the Polo Field in Golden Gate Park. The Olympic Club tied the Tigers 9 to 9 on a foggy but dry field. The Tiger scrum looked very good and literally pushed the club back on its heels. The Tigers running game was excellent also, Dick Bass and Jack Larsheid turned on the speed and both broke away on several long runs.

The Tigers were not too pleased with the final score because several of their tries were called back.

INTRAMURAL

NORTH HALL WINS BASKETBALL PHOOS LEAD VOLLEYBALL RACE

Last Monday evening in the Pacific gym the 1956 Intramural basketball championship was decided when North Hall defeated Rhizomia 33-21.

As the score indicates it was mainly a defensive game with the superior height of North Hall being the deciding factor. Emil Dattola and Farrel Funston were high point men for North Hall with twelve points each while Roger Linn was high for Rhizomia with ten points.

The game was very even during the first half and at half-time the score was tied at nine all. During the second half, however, North Hall caught fire and with the accurate shooting and close defensive work of Jack Meeks and Emil Dattola as forwards, George Lane as center, and Farrel Funston and Gerry Farley as guards, managed to pull ahead to a lead which it maintained for the rest of the game.

Rhizomia played Morgan Stoltz and Stan Pedder as forwards, Roger Linn as center, and Al Culp, Bob McGowan, Mason Holberg, and Bob Ansara as guards.

VOLLEYBALL

The first round of the Intramural Volleyball tournament produced the following results:

| | | |
|--------------|---|---|
| 1 Omega Phi | 5 | 0 |
| 2 Rhizomia | 1 | 1 |
| 3 AKL | 1 | 1 |
| 4 Archania | 1 | 1 |
| 5 Quonsets | 2 | 4 |
| 6 North Hall | 0 | 3 |

Omega Phi, with its 5-0 record in the first round is the hottest team in the league so far.

COP Netmen Play Today

Coach Mel Moretti's tennis team will play a double header this weekend. Friday afternoon at two-thirty the Tigers will play Santa Clara. At ten o'clock Saturday morning they will play San Jose. Both games will be away.

Vance Nelson, top man on the ladder, will lead the attack. He is followed closely by Arlen Digitale, Dick Easterbrook, Larry Vinsonhaler, Maynard Bostwick, and Don Landeck. The doubles teams will be composed of Nelson and Easterbrook, Digitale and Landeck, and Vinsonhaler and Dave Wohlegemuth.

The team seems to have found the winning combination of tall and short players that is so necessary in volleyball. The extremely accurate smashes of Clyde Connors and Ron Smith and the timely set ups of Nevin Hulsey and Don Cornell are the main reason why this team is currently on top of the league.

Round two of the tournament took place on the past two nights but because of deadline dates for the paper, the results won't be published until next week.

OTHER SPORTS

Ken Swearingen is in the process of conducting a free throw tournament. He already has twenty-six entries but he has room for many more so any one interested in participating contact him. The tournament will be starting very soon.

Many other intramural spring sports are getting ready to start. These are handball, tennis, horse-shoes, golf, archery, and softball. Anyone interested in any one of these sports can contact Dr. Voltmer at the athletic office or the athletic director of his or her living groups. Another interesting sporting event coming up in May is the Sigma Delta Psi athletic tournament. This contest is similar to a Decathlon except that it is not limited to track and field events.

Anyone is eligible and can participate merely by showing up for the announced event. More details including a full schedule of the events will be published in a later paper.

Last Tuesday's meet was won by Sacramento State 7-2. COP players showing good form were Bostwick and Landeck. Bostwick won his singles match 6-2 and 6-0. Landeck forced his opponent into three sets, winning the first set 6-4, losing the second 7-5, and then losing the deciding set 6-0. In the doubles Digitale and Landeck teamed up to bring home the victory by winning 2-6, 6-2, and 6-4.

President Ron de Vight of Omega Phi is shown presenting the fraternity's annual most valuable Freshman basketball player award to Sid Smith as coach "Lefty" Stern looks on.

Bengal Trackmen Still Undefeated Ironman Lane Places In 5 Events

College of the Pacific's 1956 track team remained undefeated last March 24 by beating Idaho State and the California Aggies in a triangular meet at Davis. Final score was: COP 69; Idaho State 58; and California Aggies 36.

Big George Lane placed in five events to pace the Tigers. He took firsts in the shot and discus, a second in the javelin, a fourth in the high hurdles, and a fifth in the high jump.

Charley Curtis set a new COP school record in winning the two mile with a 9:52 clocking. Bengal coach Charley Richesin formerly held the record at 9:55.8.

Jack Marden set a new meet record in the mile with a time of 4:28.8, and Tom Perry set another with a 24 flat 220 low hurdles. Perry also tied another meet mark by hurdling the 120 highs in 15.2, and he placed third in the 100 yard dash.

Coach Richesin praised freshman John Carroll, who topped his previous best by eight inches to tie for first in the high jump at 5-10.

Pacific also won the broad-jump with Gene Campbell and Bob Badger placing first and second. Bengal Stan Daniel tied for second in the pole vault, and placed behind Lane in the discus. Clyde Conner made his '56 debut with third places in the high jump and high hurdles.

Tomorrow the Tigers meet California Poly and Westmont College in San Luis Obispo.

Block 'P' Boxing Show To Be Held April 25th

The Block P Society of the College of the Pacific will present its annual boxing show Wednesday, April 25th, at 7:30 P.M. in the COP gym.

This year's show will include 6 or 7 top-notch preliminary bouts aside from the main event, which will feature Dick (Whirlwind) Bass matched against Lee (The Killer) Allerdice. In the preliminaries, two grudge fights are on the card. Bob Sartwell will fight Ken Usilton and Frank Lowery will fight Joe Sisson.

MULDOWNEY STOCKTON

notes... by ..orfeo

A friend of mine has the rather unique hobby of writing poetry—good poetry. He is exceedingly able in handling form; the content of his work shows, at least to me, genuine talent.

The other day he asked me to give him a subject on which to write a sonnet. In about the space of ten minutes he came up with the following poem. Besides showing a knowledge of the subject, it manifests remarkable craftsmanship:

Viola, mournful, ensuing
wretch of strings,
The flesh, and not the beauty
of a song,
Condemned to play the dull
and plodding things,
And noticed only when
its notes are wrong.
How much forgotten
are your lonely notes,
Which add slight color
or small rhythm parts,
While lyric melodies
from other throats
Awaken tender longings
in our hearts.
But if in pity
one should listen well
And catch the murmur
of that plaintive voice,
Its warm, small song
may have new things to tell
And make forgotten
memories rejoice.
So if the sad Viola
seems a waste,
It may be you, not it,
which has poor taste.

An outstanding technical feat is the following sonnet. Not only do all fourteen lines have the same rhyme without ever repeating the same word, but it is organized in meaning—a double quatrain, quatrain, and couplet. Yet there appears to be no sacrifice of content for form.

Does skepticism give to men
the right
To shrug off mortal sin
as impolite,
Or call God "wish
fulfillment at its height"
And heaven
"Fancy in a wilder flight,"
To doubt all things
both in and out of sight,
Reject religious rules
as much too tight,
Condemning ministers
as "rather trite,"
And spurning faith as
"really not too bright."
No wait! You who
in doubting take delight
Appear to me too prone

ON THE AIR

By LIZ LASKIN

James Francois, chief announcer of KCVN, can boast a very able-voiced staff of announcers consisting of: Jim Alexander, Jim Crockett, Lisa Greenwood, Dave Helbert, John Moore, Mike O'Connor, Marilyn Peterson, Ben Randall, Chuck Speake, and Virginia Woods.

These students have learned the operation of the master control and work in "board shifts" at the station. Not all of these announcers are radio and television majors, as is popularly believed; pre-ministerial, elementary education, music, speech therapy and business administration are well represented at KCVN.

There are several other students learning to master the controls and will, after auditioning, join the announcing staff.

Our Saturday programming, from 3-9 p.m., has a new feature added to the schedule. James Francois is producing "Cobweb Corner."

Although the title may be misleading, the show features music by the pioneers of music such as Giovanni Gabrieli, Orlando Lassus, and Dominico Scarlatti. Some of the first pieces ever written for modern instruments will be heard on "Cobweb Corner," plus the more unique masterpieces featuring a brass choir, string quartette, and the harpsichord.

to pick a fight,
Exulting more in fiction
than in light,
And trusting neither
in the day or night.
So if you wish to win me
as you might,
I might become a skeptic,
but not quite!

In all sincerity I can say that this poet has genuine creative ability of a very high order. Some day I hope to hear great things of him.

COLLEGE BOOK STORE

General Mills Offers Jobs

Jobs are open to senior men who graduate in June with General Mills, Inc. The company will send its personnel director, Mr. John R. Sampson, and their sales manager to the College of the Pacific campus Friday, April 20, to interview applicants.

The interviewer will arrive at 9:00 a.m. and will remain as long as necessary to complete the interviews. Candidates may make appointments in the Admissions office.

Vacancies to be filled include places for engineers, chemists, accountants, sales personnel, and training programs leading to management. The company stresses that it is interested in specialized training, but even more in a broadly trained individual with a potential for leadership and management.

State Needs Fire Fighters

Young men, between the ages of eighteen and twenty-five, are needed for fire suppression crews this summer. Fifteen men are needed for the Hot Shot crew located at Lakeshore on the Sacramento arm of Shasta Lake, 23 miles north of Redding.

The Hot Shot crew will spend thirty to forty percent of their time on actual fire suppression work throughout the state, as the emergency dictates.

While not engaged in fire suppression activity, crew members will be required to put in eight hours per day on improvement projects, such as campground construction, building maintenance, road and trail work.

The bi-weekly pay rate will be \$113.85 plus 25% additional pay to compensate for overtime, which will increase the total bi-weekly pay to \$142.31. For application or further information see the dean of men.

Summer Jobs

Sequoia National Park will have a few openings for college students this summer. If you are interested in making application, blanks and detailed information can be secured through the office of the Dean of Women.

It is suggested that, if possible, all applications be filed with the Parks Company immediately.

RECKLESSLY YOURS

"Zoom — there goes another hot rodder," is a typical comment one encounters almost daily. Speed is King and every teen-ager a willing subject. The students at Pacific are no exception. If you have any doubts ask Freshman Dick Small.

Ten little drivers,
feeling fit and fine —
One failed to stop,
and then there were nine.
Nine little drivers,
driving at a fast rate—
One lost control,
and then there were eight.
Eight little drivers,
thinking of heaven—
One eyed a cutie,
and then there were seven.
Seven little drivers
knew all the tricks—
One made an error,
and then there were six.
Six little drivers,
were glad to be alive—
One missed a stop sign,
and then there were five.
Five little drivers,
made their engines roar—
One failed to see,
and then there were four.
Four little drivers,
gay as could be—
One hit an island,
and then there were three.
Three little drivers,
had a little brew—
One fell asleep,
and then there were two.
Two little drivers
just out for fun—
One raced a train,
and then there was one.
One little driver
thought of the nine—
Practicing SAFETY
he's doing fine.

ENGAGEMENT

Freshman Margaret Goodlive announced her engagement to John Wentz at a special house meeting in South Hall. Best wishes, Margaret.

FRESHMAN DAY

"I'm gonna wash that dirt right off those windows," will be the freshmen theme song Saturday, April 7. The Frosh will meet in the small dining hall at 12.00. After lunch the class will proceed to South and West Halls to wash the windows. At 3:00 everyone will adjourn to the swimming pool. See you there!

AHEM AKL???

Archania, Archania,
what happened to thee?
One morning we awoke to find
your red engine shackled
to a tree.
Amazed and surprised
we learned anew
That this feat was accomplished
by a surprising crew.
One thing is certain
that can be told,
Your little red engine had been
painted purple and gold.
Archania, Archania do not rue
Another house was hit
by this very same crew.

'Twas dark and late
one Tuesday night;
They carried bricks
and stacked them right,
Tier and a half,
as time went by,
A big brick wall
rose to the sky.
It blocked the door
and shut out light
And sealed in Tau Kappa
for the night.

Winner in a walk!
